

**КОФЕМАШИНА HURAKAN HKN-BTB203**

Поз	Наименование детали		
1	Hexagon socket head PAN head tapping screw	37	16 Pin terminal wire
2	Power switch	38	One-way valve assembly
3	USB Lid	39	Three-way connector
4	Back cover	40	Coffee outler elbow assembly
5	Exhaust port gasket	41	Electromagnetic pump assembly
6	Gross recessed PAN head tapping screw	42	Plush valve assembly
7	Main PCB board	43	Flow meter assembly
8	Gross recessed PAN head with self tapping screw	44	Left cover
9	Switching power supply assembly	45	Coffes solenoid valve assenbly
10	Gross recessed PAN head screw	46	Relief valve assembly
11	Spring washer	47	Boiler assembly
12	Flat washer	48	Upper body assembly
13	Filter press board	49	Water tank assembly
14	External serrated lock washer	50	Water tank inside cover
15	Hexagon nut	51	Bean container inside cover
16	Emi filter	52	Adjusting knob
17	Switch push rod	53	Adjustable gear lever
18	Power cord	54	Adjusting gear
19	Main body assembly	55	Gross recessed PAN head self tapping screw
20	Drive unit assembly	56	Large washer
21	Brewing unit assembly	57	Bean grinder assembly
22	Waterproof switch for brewing unit	58	Damper rubber for grinder
23	Brewing unit fixing plate	59	Support pad for ground coffee funnel
24	Fixed plate buckle	60	Bean entrance sealant
25	Brewing door assembly	61	Grinder motor sleeve
26	Brewing door shaft	62	Seal ring for ground coffee funnel
27	Right cover	63	Exhaust Inlet
28	Steam solenoid assembly	64	Silicon rubber tube
29	Drip tray assembly	65	Exhaust fan hood
30	Milk container cover assenbly	66	Fan bearing pad
31	Front panel assembly	67	Exhaust fan
32	Relief seal	68	Coffee spoon
33	Condenser assembly		
34	Gross recessed PAN head tapping screw		
35	10 Pin terminal wire		
36	Transfer PCB board
